

A TASTEFUL, RESPECTFUL FUNERAL CATERING SERVICE

We understand, from our own experience, how stressful organising a funeral can be. Having arranged the service and informed family, friends and colleagues of the details, you may want to spend more time with your loved ones.

We are here to help with a dedicated and respectful catering service that affords you that special time.

Murphy Browns Catering will deliver to your home, church hall/venue to setup and staff your funeral if you wish us to do so.
